

# CTE MAKEOVER CHALLENGE

## BLUEPRINT AUTHORIZATION FORM

The Career and Technical Education (CTE) Makeover Challenge calls upon eligible schools to design models of makerspaces that strengthen career and technical skills through making. The U.S. Department of Education (ED) is seeking models of makerspaces across a wide range of facility types, such as classrooms, libraries, and mobile spaces, that it can share with educators to encourage the creation of affordable, scalable, and replicable makerspaces. More information can be found at [www.ctemakeoverchallenge.com](http://www.ctemakeoverchallenge.com).

Schools that enter Blueprints (Second Round Submissions) are eligible to win a share of the \$200,000 cash prize pool and a selection of in-kind prizes from Challenge sponsors. The Blueprint submission deadline is 11:59:59 PM EDT on May 22, 2016.

I support \_\_\_\_\_ (Name of School)'s submission to the CTE Makeover Challenge.

I attest that \_\_\_\_\_ (Name of School) is eligible for Carl D. Perkins funding.
